

# LANCE MOORE

---

Creative Director | Architectural Technologist | Product-Minded Designer

Tampa, FL • [lance.moore001@gmail.com](mailto:lance.moore001@gmail.com)

## PROFILE

Creative leader with 12+ years shaping the built environment across hospitality, healthcare, and high-end residential design.

Daily power user of BIM, visualization, and design tools with deep understanding of workflows being transformed by modern proptech.

Founder-minded designer who has launched startup concepts, led cross-disciplinary teams, and helped clients visualize and make confident decisions about their spaces. Focused on the intersection of design, product thinking, and real-world implementation.

## CORE STRENGTHS

Creative Direction • Product Thinking • Spatial Visualization • Design Systems • Cross-Functional Leadership • Brand & Experience Design • Architecture Lifecycle • Startup Development

## PROFESSIONAL EXPERIENCE
